ROUND WEATHER GRILLE

BN-G-R

BN-G-R

DESCRIPTION

BN-G-R is a round weather grille. With fixed blades, in 45° angle. In the back there is wire mesh 6X6mm. For installation in external walls, to protect the HVAC equipment or the building interior from the rain, leaves, insects, small animals and other objects. The grille is manufactured in certain sizes.

MATERIALS

The BN-G-R grille is made from galvanized steel sheet. Electrostatic paint in RAL color is possible. The wire mesh is from galvanized steel.

WAY OF FIXING

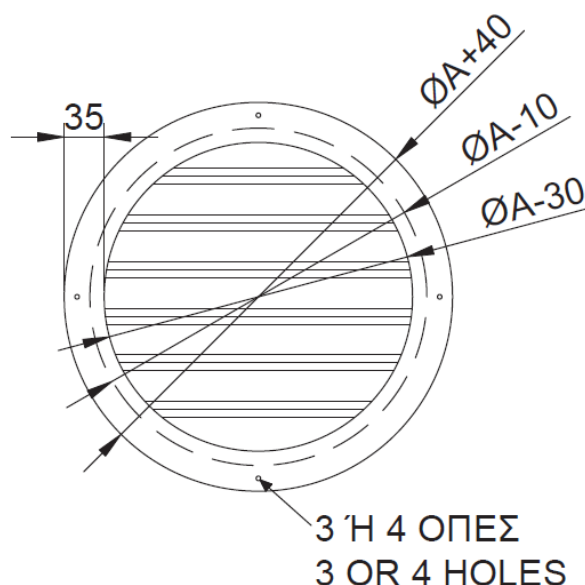

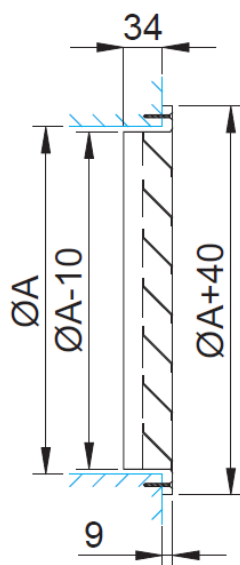

The grille BN-G-R is fixed in a external wall with visible screws in the external flange.
